

03 April 2019

Providing relevant training to data scientists/analysts/researchers in skills related to data is an essential step to implementing the goals of the RDA.
This joint meeting organized by CODATA/RDA Research Data Science Schools for Low and Middle Income Countries and the Education and Training on Handling of Research Data Interest Group - will be focused on education and training topics, the promotion of those and will discuss the information's exchange about the important existing initiatives. FAIRsFAIR will be presented during the introduction by Hugh Shanahan.

- When: **3 April, Breakout Session 4, 12.00 - 13:30**
- Where: **Room: Commonwealth A2**
- **Remote access**
