

Date:
30 October 2019
Location:
Universidad Carlos III de Madrid

This focus group examines the development and implementation of research data policies and the FAIR data principles at universities. Take the opportunity to dialogue in-depth and share best practices with other university leaders who face similar challenges in their institutes.

Application deadline: 20 September 2019 - Application closed - The event has reached full capacity.

Click here for more information and to apply.

Target audience

This event is mainly aimed at university and academic leadership responsible for, or interested in, designing and implementing research data policies. Institutions at various stages in this process are welcome. Other participants, e.g. representing Research Infrastructures and RDM-related projects or initiatives are also invited to apply.
