FAIRsFAIR 1st Certification Support Workshop for Data Repositories

Date:
06 February 2020
Location:
The Hague, The Netherlands

The first FAIRsFAIR workshop for data repositories selected to receive assistance in achieving CoreTrustSeal certification takes place in The Hague on Thursday 6 February 2020.

The invitation-only workshop is to be held on the premises of DANS (Data Archiving and Networked Services), in the main meeting room on the 3rd floor. Attendance is limited to representatives of the selected data repositories. Presiding facilitators and trainers from the FAIRsFAIR project are:

- DCC - Patricia Herterich
- UKDA - Hervé L'Hours
- DANS - Frans Huigen, Ilona von Stein and Mustapha Mokrane
- PANGAEA - Anusuriya Devaraju
- CINES - Olivier Rouchon

The agenda for the full-day programme of formal presentations and interactive sessions includes comprehensive coverage of the certification requirements and of the process and procedures to follow. Attendees will also have opportunities to ask questions and table their specific needs and expectations during break out sessions.

A further workshop is already in the planning stages.

Attendees can request further information from Ilona von Stein.
