Date:
30 June 2020
Location:
Online

As part of the Thüringer FDM-Tage 2020 of the Thuringian Competence Network Research Data Management, the Research Data Management Helpdesk of the Friedrich Schiller University Jena organizes the workshop "On the Way to FAIR Data: Tales from the Road". The event is intended to introduce the concept of FAIR data and how these principles can help to improve science. Joy Davidson, from FAIRsFAIR, will do a presentation entitled "*Planning for FAIR data*".
