

Date:
19 October 2020 to 21 October 2020
Location:
Virtual

This year's largest event organised by the EOSC Executive & Governing Boards with the support of the EOSC Secretariat project **will go virtual on 19-22 October 2020**.

The **EOSC Symposium 2020** brings together researchers, data scientists, e-Infrastructures, Research Infrastructures, EOSC projects, EOSC Working Group members and representatives of the EU27 Member States and associated countries to discuss the final steps towards the establishment of a first version of a fully-fledged European Open Science Cloud. Organised by the EOSC Executive & Governing Boards with the support of the EOSC Secretariat project, the four-morning programme will analyse the progress of EOSC after two years from its official launch focusing on **the added value of EOSC for the European scientific communit**y.

Data-driven use cases, success stories, failures and lessons learnt from the first two years of EOSC, but also discussions on the Strategic Research and Innovation Agenda of the EOSC partnership within the framework of the future Horizon Europe programme, will shape the programme of this event that will be **a key milestone towards the launch of the second phase of EOSC**.

For any information on the event please contact info@eoscsecretariat.eu

The full programme and the official registration form will be published soon. Visit the official event webpage.
