

Date:
12 January 2021 to 14 January 2021
Location:
Virtual (Chile)

Between January 12 and 14, 2021, the 7th Congress of University and Specialized Libraries organized by the University of Chile will take place online.The main objective of this international Congress is to create a space for the exchange of experiences aimed at librarians and information professionals who carry out their activity in University and Specialized Libraries. This seventh edition of the Congress of University and Specialized Libraries will take place online as a result of the health situation that we find worldwide caused by COVID-19.During it there will be a series of presentations by renowned professionals from around the world who will address various topics of special relevance.

Along with it, a Virtual Fair will take place in which some of the most relevant service companies in the field of University and Specialized Libraries will take part, such as EBSCO, ProQuest, ITMS Group, Springer Nature, Wiley Online Library, Gale, ODILO, OCLC, etc.
