

Date:
29 April 2021
Location:
Virtual

EOSC-Nordic WP4 invites and encourages repositories to sign-up for this FAIRification webinar. The focus of the meeting will be to address domain agnostic (generic) metadata standards, type declarations, and access restrictions. The event is held online on the 29th of April from 10:00-12:00 CEST.

See the full program and register for the event on the following event page
