

Date:
07 July 2021
Location:
Online - Zoom platform

The FAIRsFAIR Roadshow will virtually visit Romania on the 7th of July 2021 to present FAIR tools and services, guidelines and best-practices. The event is open to data support staff, data stewards, researchers and data policy makers and it is organised in collaboration with the Open Science Knowledge Hub România, UEFISCDI.

In order to register to this event, you need to sign up to the FAIRsFAIR website by following the link below

Watch the recording
