

Date:
26 November 2021
Location:
Coimbra, Portugal

FAIRsFAIR is reaching out to the Portuguese Research Community! On the 26th of October the Portuguese stop of the FAIRsFAIR National Roadshow series which physically tok place in Coimbra, as part of the 8th RDM forum.

The RDM Forum (https://forumgdi.rcaap.pt/8forum/) is an event promoted since 2016 to develop competences in the Support Research Data Management community in Research Institutions. The RDM Forum is a space for discussion and sharing of ideas, projects, and best practices in Research Data Management. It seeks to bring together managers of repositories and data centers, information specialists, librarians, archivists and data curators, IT specialists, researchers and research managers from research institutions from Portugal.

The event physically took place in Coimbra (more info here), with both in presence and remote presentations.
