DIGITAL PRESERVATION SEEDS

by Barbara Sierman

14 May 2019

EU report “Turning FAIR into reality” was a clear statement but is not helpful in solving the range of problems. FAIR should be connected with OAIS and digital preservation in general. We all would benefit from a better interaction between FAIR and digital preservation.”

Barbara Sierman, chair of the Open Preservation Foundation Board and Digital Preservation consultant at the Koninklijke Bibliotheek (KB), works as an advisor on various topics related to the preservation and long-term accessibility of digital collections: from organizational and procedural aspects, to preservation policies and certification. She is active in national and international initiatives.
