

FAIRsFAIR
Fostering Fair Data Practices in Europe

Assessment framework for FAIR services

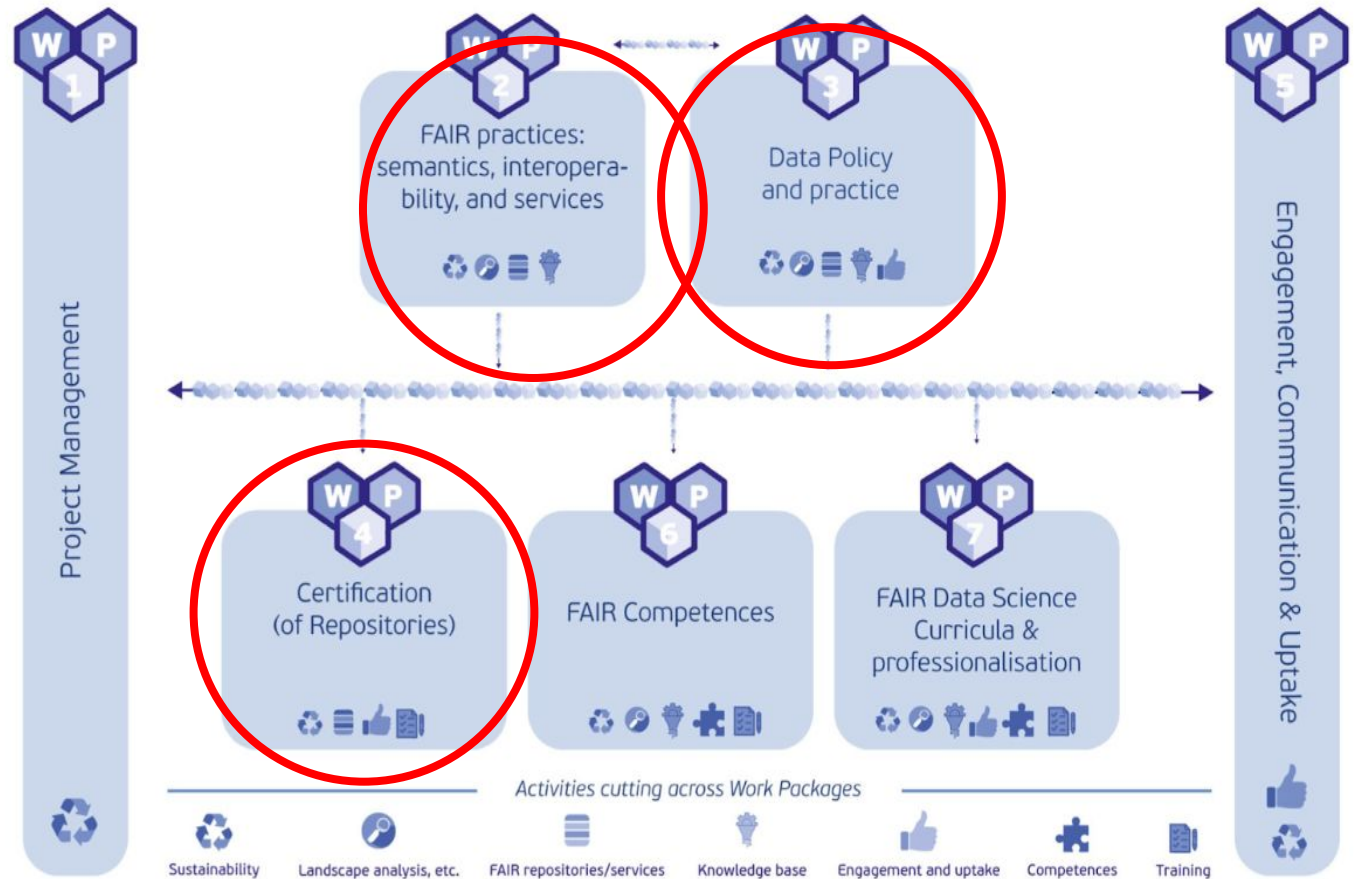

February 21, 2022

A bit about FAIRsFAIR

FAIRsFAIR:

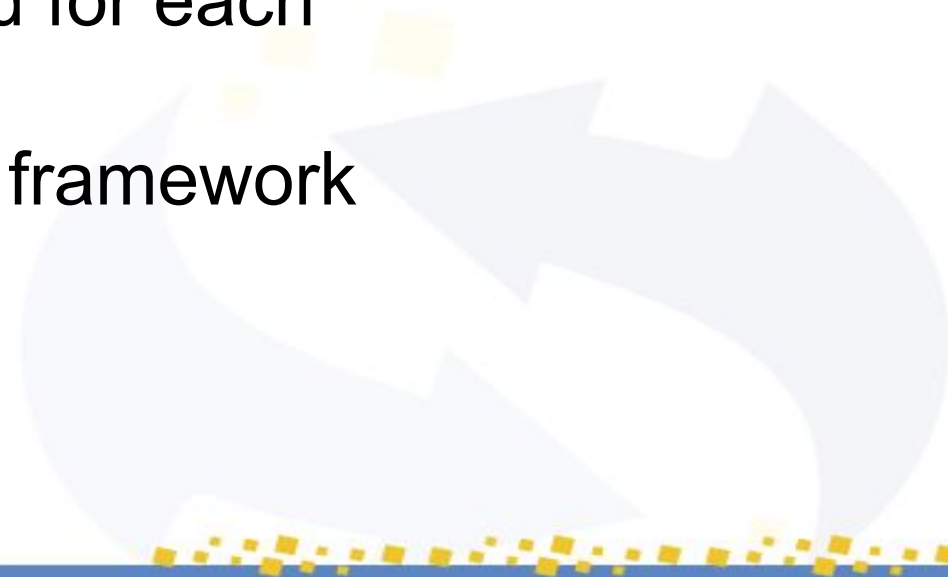

- H2020 funded project
- 22 partners, runs from March 2019-Feb 2022
- Emphasis on fostering FAIR data culture and uptake of good practices.
- Helping to realise the European Open Science Cloud (EOSC) vision.

<https://www.fairsfair.eu/>

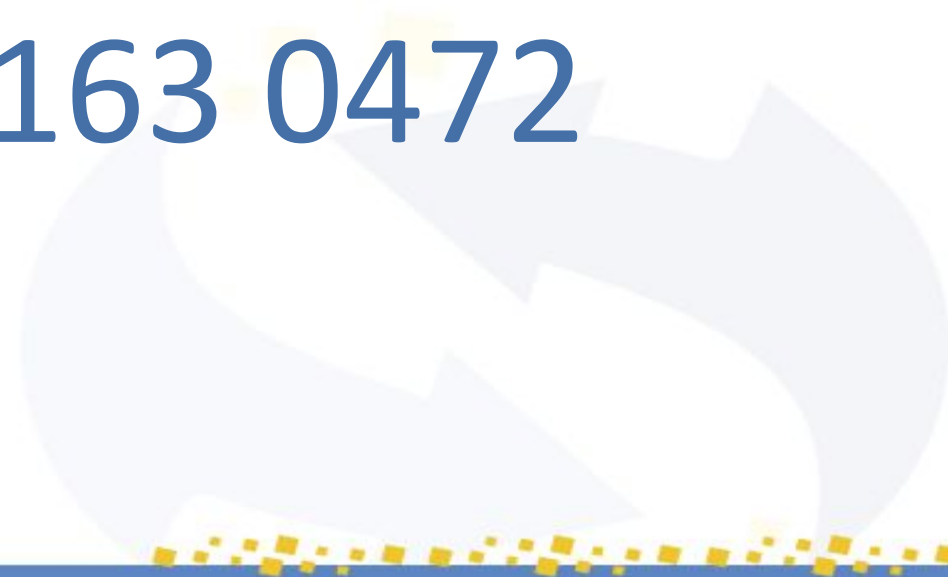

Aims of this webinar

- Introduced to the FAIRsFAIR Assessment Framework for FAIR services
- Be aware of the seven FAIR-enabling areas covered by the framework and what needs to be considered for each
- Equipped with practical tips on applying the framework

Now, a bit about you!

Please go to www.menti.com
and use the code 5163 0472

Next up:

- Overview of the framework for assessing FAIR services and how to use it - Patricia Herterich, DCC and Sara Ramezani, SURF
- Time for Q&A

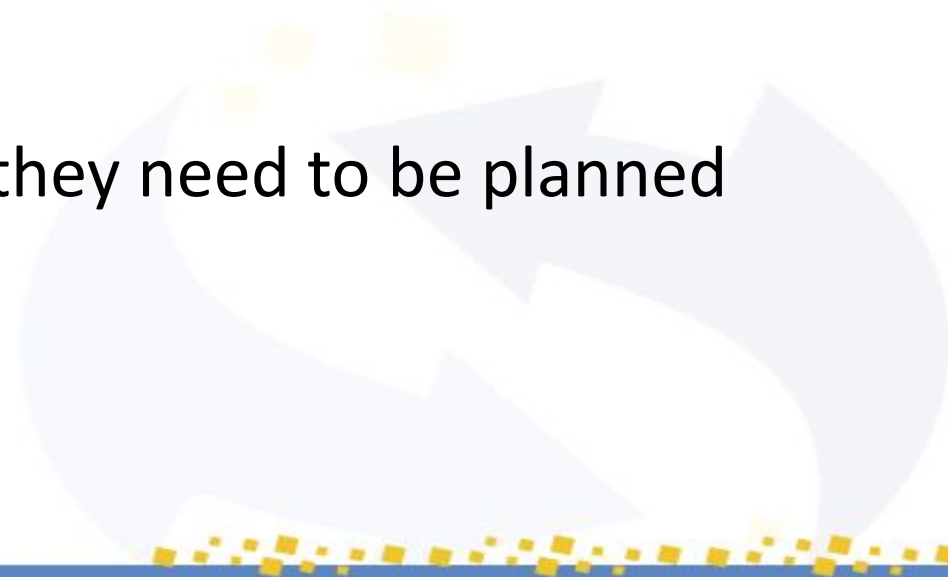

Next steps

Please go back to
www.menti.com and use the
code 5163 0472

Summing up

- Assessment framework can help you identify strengths and gaps in your service provision
- Assessment exercise can help prioritise areas of service improvement
-
- FAIR-enabling services don't just happen - they need to be planned for and resourced

Thank you!
