# Using registries to improve the visibility of your repository service

July 13th 2021

## Summing up

- Add sufficient detail to your repository description to make it visible for different stakeholders
- Consider registering your repository with multiple registry services for greatest visibility
- Keep your registry record up to date!

# Next steps

Please go to [www.menti.com](http://www.menti.com)  
and use the code 9505 0327

# Thank you!
